

Under The Sea *

PART ONE

Under the sea, there's
a world
Where I'd like to go,
Under the sea, there are
creatures
That I'd like to know,
What fun it would be,
What fun for you and me,
Under the sea, under
the sea
Under the sea.

PART TWO

Under the sea,
Under the sea,
Under the sea.
Under the sea,
Under the sea,
Under the sea.
Under the sea, under
the sea,
Under the sea.

**REPEAT, SINGING BOTH
PARTS TOGETHER**

Ten Little Sea Shells

One little, two little, three
little sea shells,
Four little, five little, six
little sea shells,
Seven little, eight little, nine
little sea shells,
Ten little sea shells here.

Ten little, nine little, eight
little sea shells,
Seven little, six little, five
little sea shells,
Four little, three little, two
little sea shells,
One little sea shell here.

Creatures In The Sea u

I'm thinkin' of a creature
That lives under the sea.
It has eight long arms,
Can you show it to me?

The creature is an octopus,
And now that we know,
I'll show you what it does
In the ocean below:

CHORUS:

Bubble, bubble, bubble,

And it's happy to be,
All day long just
A-swimmin' in the sea.

I'm thinkin' of a creature
That lives under the sea.
It looks like a star,
Can you show it to me?

The creature is a starfish,
And now that we know,
I'll show you what it does
In the ocean below:

REPEAT CHORUS

I'm thinkin' of a creature
That lives under the sea.
It puffs itself up,
Can you show it to me?

The creature is a pufferfish,
And now that we know,
I'll show you what it does
In the ocean below:

REPEAT CHORUS

I'm thinkin' of a creature
That lives under the sea.
It has a big round shell,
Can you show it to me?

The creature is a turtle,
And now that we know,
I'll show you what it does
In the ocean below:

REPEAT CHORUS

I'm thinking of a creature
That lives under the sea.
It twists and it turns,
Can you show it to me?

That creature is an otter,
And now that we know,
I'll show you what it does
In the ocean below:

REPEAT CHORUS

Of all the creatures
That live under the sea,
These are the ones
That you've shown to me:

An octopus, a starfish,
A pufferfish, you know,
A turtle, and an otter
In the ocean below:

Bubble, bubble, bubble,
And they're happy to be,

All day long just
A-swimmin' in the sea.

Bubble, Bubble u

CHORUS:

Bubble, bubble, bubble,
bubbles in the sea.

This is the place for you
and for me.

Singin' on the bottom of
the ocean floor,

Far away from the sandy shore!

I'm a creature who loves
to live in the sea,
I'm exactly the way that I
want to be.

I have eight long arms
and I'm purple and pink,
I play the drums and my
name is Ink.

REPEAT CHORUS

I'm a creature who loves
to live in the sea,
I'm exactly the way that I
want to be.

I puff myself up anytime I like,
I'm a pufferfish and my
name is Spike.

REPEAT CHORUS TWICE

Bubble, bubble, bubble,
bubble...

Bubble, bubble, bubble,
bubble,

Bubble, ah bubble, ah
bubbles in the sea.

Yeah!

REPEAT CHORUS

Little Baby Ottie I

My name is Ottie, I love
to play,

Swimming and diving
every day,

Twisting and turning and
spinning around,

And when you look, I can't
be found.

Her favorite game is
hide and seek,

She'll do the hiding, we
can't peek,

Twisting and turning and

spinning around,
And when we look, she
can't be found.

My name is Oattie, I love
to play,
Swimming and diving
every day,
Twisting and turning and
spinning around,
And when you look, I can't
be found.
Twist and turn, hide and seek,
Do not peek!

Down On The Ocean Floor

Down on the ocean floor,
There's a star so true,
With her eyes so blue,
See her smile for you,
It was there I knew,
That I'm one of a few,
A star you see,
That star is me,
Down on the ocean floor.

Down on the o-
(Not A but O)
cean floor,
(Not roof but floor)
There's a star
(Not moon but star)
so true,
(Not false but true)
With her eyes
(Not ears but eyes)
so blue,
(Not green but blue)
See her smile
(Not frown but smile)
for you,
(Not me but you)
It was there
(Not here but there)
I knew,
(Not old but new)
That I'm one
(Not two but one)
of a few,
(Not lots but few)
A star you see,
(Not saw but see)
That star is me,
(Not you but me)
Down on the o-
(Not A but O)
cean floor.
(Not roof but floor.)

Twinkle Starfish I

Twinkle, twinkle, pretty star,
What a gorgeous thing
you are.
Lovely eyes so very blue,
How I love to look at you.
Twinkle, twinkle, pretty star,
What a gorgeous thing
you are.

I'm a lovely starfish,
You can take it from me.
I'm the prettiest creature
On the bottom of the sea.
Everyone knows
What I say is true,
Stalla Starfish
Is the one for you!

Twinkle, twinkle, pretty star,
What a gorgeous thing
you are.

Doo-Wahhhhhh!

The Clam Dance I

CHORUS:
Underwater, underwater,
bow, bow, bow,
Underwater, do you wanna
Clam Dance?!
Underwater, underwater,
bow, bow, bow,
Underwater, do you wanna
Clam Dance?!

You scam like a clam, let
the music jam,
You clap your shell and let
out a yell _ Hey!
Swim up high, right up to the sky,
And when I say, "When!" We
do it all again!...When!

REPEAT CHORUS

BRIDGE:
Well if you really want to know
How the clam dance goes,
Ask the clam, Clem, he knows.
Spin around, fall to the ground,
Shake your head, and put it to
bed.
Swim down low in the undertow,
And when I say, "When!" We do it
again!

When!

REPEAT CHORUS

REPEAT BRIDGE

He knows,
He knows,
He knows,
He knows.

REPEAT CHORUS

Spin around, fall to the ground,
Shake your head, and put it to
bed.
Swim down low in the undertow,
And when I say, "When!" We do it
all again!

Not yet...When!

REPEAT CHORUS TWICE

Sing Your Way Home

Sing your way home
At the close of the day,
Sing your way home,
Drive the shadows away.
Smile every mile,
For wherever you roam,
It will brighten your road,
It will lighten your load,
If you sing your way home.

REPEAT

Adding Game Song kr

PART ONE
One plus one is two,
Two plus two is four,
Three plus three is six,
Now let's try some more.

Four plus four is eight,
Five plus five is ten,
Six plus six is twelve,
Now let's try again.

PART TWO
My sweet little minnows,
I'm so proud of you,
Look at all the adding
You are able to do!
If you keep on practicing,
then I can tell,
You will know your adding
facts so very well!

REPEAT, SINGING BOTH
PARTS TOGETHER

**One, Two, Whale
That's Blue r**

One, two,
Whale that's blue.
Three, four,
Albacore.
Five, six,
Angelfish mix.
Seven, eight,
Rounded skate.
Nine, ten,
Warm sea pen.
Eleven, twelve,
Cockle shell!

**Oh Dear,
What Can the
Matter Be? I**

CHORUS:

Oh dear, what can the
matter be?
Oh dear, what can the
matter be?
Oh dear, what can the
matter be?
Ottie's not feeling so well.

She wants to play, but she
looks so sick, my, oh, my!
Wish we could help, but we
don't know the reason why,
Maybe she's tired and just
needs to get some sleep.
Ottie's not feeling so well.

REPEAT CHORUS

You Are You I

CHORUS:

You are you and I am me,
We're as different as can be.
Look at us and you can see,
Why you are you and I am me.

I have tentacles, I have spikes,
You are different, that I like.
We have fins, my feathers are
blue,
Those are reasons you are you.

REPEAT CHORUS

I like to drum, I like to sing,
Everyone likes to do
different things.
We like to count, I like to scout,
We're all different, there's
no doubt.

REPEAT CHORUS

You are you, I am me,
Look at us,
You are you and I am me.

REPEAT, SINGING BOTH
PARTS TOGETHER

You are you and I am me.

**Sing Your Way
Home Reprise**

**The Pollution
Solution u**

All of this mess on the
ocean floor
Could have been avoided
If we thought about it more.

'Cuz sometimes folks
are lazy,
And sometimes we forget
That if you don't pick up
your garbage,
This is what we get.
And I think there's something
that we can do,
And the answer's in a song
I'll sing for you.

CHORUS:

The solution to pollution
Is to think before you act.
Re-use, recycle, remember
to say,
"It's a beautiful world, let's
keep it that way."

Here's a bottle
that's made of glass.
Here's a can
that's made of tin
Here's a box made from
cardboard
We can use it all again.

We're all in this together,
So let's all lend a hand
And recycle all we can.

REPEAT CHORUS

Metal, paper, plastic,
A whole lot of stuff.
Save it, don't toss it,
The earth has had enough!
We're all in this together,
So let's all lend a hand
And recycle all we can.

REPEAT CHORUS

Just stop before you drop it,
Think before you act.
The earth is not a garbage
can,
And that's a fact.
We're all in this together,
So let's all lend a hand
And recycle all we can.

REPEAT CHORUS

It's a beautiful world,
let's keep it that way.
Re-use, recycle, remember
to say,
"It's a beautiful world, let's
keep it that way."

**Go Round And
Round The Coral=**

Go round and round
the coral,
Go round and round
the coral,
Go round and round
the coral
As we have done before.

Now peek right through
a sea fan,
Now peek right through
a sea fan,
Now peek right through
a sea fan
As we have done before.

Go in and out the window,
Go in and out the window,
Go in and out the window
As we have done before.

Now slide right down the
sea slide,
Now slide right down the
sea slide,
Now slide right down the
sea slide
As we have done before.

I'm A Hermit Crab r

I'm a hermit crab who wants
to be alone,
Be alone, be alone,
I'm a hermit crab who wants
to be alone,
So just let me be a grump!

You can talk about my
crabbin' and my grumpin'
around,

You can talk about my
lonely days,
But YOU must understand this,
I must have my crabby ways.

I'm a hermit crab who wants
to be alone,
Be alone, be alone,
I'm a hermit crab who wants
to be alone,
So just let me be a grump!

I'm A Hermit CraB Reprise r

You don't need to be a crab
and be alone,
Be alone, be alone,

You don't need to be a crab
and be alone,
You don't need to be a grump!

You don't need to be a-
crabbin' and a-grumpin'
around,
You don't need to have your
lonely days.
And YOU must understand this,
You don't need your crabby
ways.

You don't need to be a crab
and be alone,
Be alone, be alone,
You don't need to be a crab
and be alone,
You don't need to be a grump!

Crabby Hermit Changed His Ways r

In my shell the other night,
I was sad and all uptight,
But now I'm glad and I'm proud
to say,
Old Hermit Crab has
changed his way.

So, git out the way, Crabby
Hermit,
Git out the way, Crabby
Hermit,
Git out the way, Crabby
Hermit,
This old crab's a friendly
hermit!

REPEAT TWICE

Rockin' And
Rollin' r

CHORUS:
Rockin' and rollin' under
the sea,
Rockin' and rollin' under
the sea,
Rockin' and rollin' under
the sea,
Oh, rock and a-roll.

So high you can't jump
over it,
So low you can't swim
under it,
So wide you can't get
round it,
The great big wonderful sea.

A rock-and-a-roll,
A rock-and-a-roll, (under)

REPEAT CHORUS

So high you can't jump
over it,
So low you can't swim
under it,
So wide you can't get
round it,
The great big wonderful sea.

REPEAT CHORUS Twice

Oh, rock and a-roll.
